NOW, THEREFORE, in consideration of the premises set forth above, and of the mutual promises set forth below, and other good and valuable consideration, the sufficiency and adequacy of which are hereby acknowledged, the parties hereto, intending to be legally bound, agree as follows:

TAMPA BAY WATER shall reimburse CONSULTANT for travel expenses other than travel expenses which are included in lump sum payment items (subject to the "administrative limits" of Section 112.061, Florida Statutes and Administrative Policy 650-15), provided CONSULTANT (a) maintains appropriate documentation substantiating the expense, (b) discloses that such claimed expense is true and correct as to every material matter, and (c) honors a claim for refund by TAMPA BAY WATER should such reimbursement be in excess of the administrative limits. Nothing herein shall prevent the payment to CONSULTANT for lump sum items which include travel expenses consistent with the administrative limits.

Further, CONSULTANT acknowledges and agrees that any compensation to be paid under this Agreement, both as originally set forth in Schedule "B" or for any Additional Services hereafter authorized in writing by TAMPA BAY WATER, will be adjusted to exclude any significant sums by which TAMPA BAY WATER determines such compensation was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit cost. Further, CONSULTANT acknowledges and agrees that any such adjustment to compensation may be made within one year of the expiration or termination of this Agreement.
- 5.0 PROJECT SCHEDULING. CONSULTANT shall perform the Services in accordance with the milestone dates and/or progress schedule set forth in Schedule "D".

6.0 CONSULTANT'S REPRESENTATIONS AND WARRANTIES. CONSULTANT represents and warrants to TAMPA BAY WATER as follows:

- 6.1 CONSULTANT is duly authorized to conduct business in the State of Florida.
- 6.2 CONSULTANT has, or it will secure at its own expense, all personnel, facilities, and equipment required to perform and complete the Services.
- 6.3 CONSULTANT shall maintain an adequate and competent staff of professionals licensed and located within the State of Florida. CONSULTANT shall designate in writing a single representative with whom TAMPA BAY WATER shall coordinate. This representative shall have authority to transmit instructions, receive information, interpret and deliver CONSULTANT's policy and decisions related to the Services and bind CONSULTANT with respect to any matter arising out of or relating to this Agreement.
- 6.4 CONSULTANT has or shall secure all licenses or permits required by Law for the performance of the Services and shall comply with all Laws in effect at the time of the execution of this Agreement and the time of performance of the Services.
- 6.5 CONSULTANT has familiarized itself with the nature and extent of this Agreement, the Project, the Services, the site, locality, and all local conditions and Law that may affect CONSULTANT's performance of this Agreement, including CONSULTANT's compensation, the progress schedule and/or the performance or furnishing of the Services.
- 6.6 CONSULTANT has reviewed this Agreement (including its Schedules) and all available information and data shown or indicated in this Agreement and has given TAMPA BAY WATER written notice of all conflicts, errors, ambiguities, or discrepancies that it has discovered in this Agreement or information or data, and the written resolution thereof by TAMPA BAY WATER is acceptable to CONSULTANT.
- 6.7 CONSULTANT shall obtain and review all information and data which relates to the Services or which CONSULTANT may reasonably anticipate may affect cost, scheduling, progress, performance or furnishing of the Services, including, but not limited to, information and data related to the Project work of others under separate contracts, to the extent that such work may interface with the Services hereunder.
- 6.8 At all times during the performance of the Services, CONSULTANT shall comply with Title VII of the Civil Rights Act of 1964, as amended, and the Florida Civil Rights Act of 1992. CONSULTANT shall not discriminate in any form or manner against its employees or applicants for employment on the basis of race, color, national origin, religion, sex, age, handicap or marital status. Further, CONSULTANT shall comply with all applicable rules, regulations or executive orders promulgated to give effect to the Civil Rights Act of 1964, as amended.

- 6.9 CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for CONSULTANT, to solicit or secure this Agreement. Further, CONSULTANT has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for CONSULTANT, any fee, commission, percentage, gift, or other consideration, contingent upon or resulting from the award or making of this Agreement. CONSULTANT represents that it has complied with the provisions of Section 287.055(6), Florida Statutes.
- 6.10 CONSULTANT has represented and warrants to TAMPA BAY WATER that CONSULTANT has special expertise in the type of professional services to be provided pursuant to this Agreement and CONSULTANT acknowledges that such representations were a material inducement to TAMPA BAY WATER to enter into this Agreement with CONSULTANT. CONSULTANT, in representing TAMPA BAY WATER, shall promote the best interest of TAMPA BAY WATER and assume towards TAMPA BAY WATER a fiduciary relationship of the highest trust, confidence and fair dealing.
- 6.11 CONSULTANT shall immediately notify TAMPA BAY WATER if it becomes aware of any facts or circumstances which may reasonably give rise to any claim against TAMPA BAY WATER for Services performed under or related to the Services performed under this Agreement.
- 6.12 CONSULTANT agrees that to the extent the performance of Services hereunder involves construction, CONSULTANT acknowledges that it has reviewed or will review TAMPA BAY WATER's applicable construction contract form that will be utilized with respect to and prior to any construction of the Project, and CONSULTANT agrees that all services to be provided under said construction contract are expressly included and incorporated into the Scope of Services set forth in Schedule A to be provided by CONSULTANT under this Agreement.
- 6.13 CONSULTANT has the full power and authority to execute and deliver this Agreement and to incur and perform the obligations provided for herein, all of which have been duly authorized by all proper and necessary actions of the governing entity of CONSULTANT.
- 6.14 This Agreement is a valid, binding and enforceable obligation of CONSULTANT, and does not violate any law, rule, regulation, contract or agreement otherwise enforceable by or against CONSULTANT, except as same may be limited by bankruptcy, insolvency, reorganization or other similar laws affecting the rights of creditors generally.
- 7.0 TAMPA BAY WATER's DUTIES.
- 7.1 TAMPA BAY WATER shall review and consider, in a reasonably prompt and thorough fashion, all applications for payments, reports, schedules, estimates, drawings, proposals or other documents presented to TAMPA BAY WATER by

CONSULTANT and shall inform CONSULTANT of all of TAMPA BAY WATER's decisions or otherwise take appropriate action within a reasonable time so as to not unreasonably delay the Services of CONSULTANT.

7.2 TAMPA BAY WATER shall designate in writing a single representative with whom CONSULTANT shall coordinate. This representative shall have authority to transmit instructions, receive information and interpret and deliver TAMPA BAY WATER's policy and decisions pertinent to the Services. However, no such representative of TAMPA BAY WATER shall be authorized to approve any modification or amendment to this Agreement, including, but not limited to, authorizing any Additional Services, modification of Project Compensation or Project Scheduling, unless in the best interest of Tampa Bay Water and due to causes or circumstances beyond the control of CONSULTANT.

7.3 TAMPA BAY WATER shall cooperate in providing to CONSULTANT, upon CONSULTANT's specific request, all existing and available studies, reports, surveys and other information and data regarding the Project, to the extent such items are in TAMPA BAY WATER's possession and TAMPA BAY WATER has actual knowledge of their existence and location. Notwithstanding anything herein to the contrary, TAMPA BAY WATER does not represent or warrant the accuracy or completeness of any such items, unless it is expressly noted otherwise in writing on such item.

8.0 CHANGE OF PLAN.

8.1 TAMPA BAY WATER shall have the absolute right to terminate, suspend, or amend the Services or the Project at any time and for any reason, and such action on its part shall not be deemed a default or breach of this Agreement. Any such termination, suspension or amendment of the Services or the Project by TAMPA BAY WATER shall be in writing.

8.2 In the event the Services or Project is entirely or partly suspended for one or more periods of time, there shall be no claim for compensation for the suspended period(s). Upon resumption of the Services or Project, CONSULTANT shall resume the Services until the Services are completed in accordance with this Agreement, and the time for completion of the Services which were suspended shall be extended for the period of the suspension. If the cumulative total of such suspensions, excluding periods of suspension during the design phase, is 270 days or less, the extension of time shall be CONSULTANT's sole remedy. If the cumulative total of such suspensions is more than 270 days, CONSULTANT's sole remedy shall be to terminate this Agreement pursuant to Article 9.

8.3 If TAMPA BAY WATER amends the Services and CONSULTANT is of the opinion that Additional Services are made necessary as a result thereof, the provisions of Article 11.0 herein shall apply.

9.0 TERMINATION OF AGREEMENT.

- 9.1 TAMPA BAY WATER shall have the right to terminate this Agreement, in whole or in part, without cause upon written notice to CONSULTANT. In the event of any such termination without cause, CONSULTANT's sole and exclusive recovery against TAMPA BAY WATER shall be limited to that portion of CONSULTANT's compensation earned to the date of termination, together with any costs reasonably incurred by CONSULTANT that are directly attributable to the termination. The CONSULTANT shall not be entitled to any other or further recovery against TAMPA BAY WATER, including, but not limited to, anticipated fees or profits on Services not required to be performed. TAMPA BAY WATER shall determine that portion of the compensation earned for any incomplete Services based upon the ratio of such part of the Services completed relative to the entire Services. Any such determination shall be made in TAMPA BAY WATER's sole discretion. Termination without cause shall be effective upon delivery of written notice to CONSULTANT.
- 9.2 CONSULTANT shall be considered in material default of this Agreement and such default shall be considered cause for TAMPA BAY WATER to terminate this Agreement, in whole or in part, for any of the following reasons: (a) failure to begin Services within the time specified herein, or (b) failure to timely and properly perform the Services required hereunder or as directed by TAMPA BAY WATER, or (c) the bankruptcy or insolvency or a general assignment for the benefit of creditors by CONSULTANT or by any of CONSULTANT's principals, partners, officers or directors, or (d) failure to obey any Law, or (e) failure or refusal to allow public access to all public record documents or other materials made or received by CONSULTANT in conjunction with this Agreement, unless exempt under Florida law, or (f) CONSULTANT otherwise materially breaches this Agreement. In any such event, TAMPA BAY WATER may terminate this Agreement, in whole or in part, by giving CONSULTANT written notice. In the event of any such termination for cause, TAMPA BAY WATER shall not be obligated to make any further payments to CONSULTANT hereunder until such time as TAMPA BAY WATER has determined all costs, expenses, losses and damages which TAMPA BAY WATER may have incurred as a result of such default by CONSULTANT, whereupon TAMPA BAY WATER shall be entitled to set off all costs, expenses, losses and damages so incurred by TAMPA BAY WATER against any amounts due CONSULTANT hereunder. Termination for cause shall be effective upon fourteen (14) days written notice to CONSULTANT.
- 9.3 If TAMPA BAY WATER violates the provisions of this Agreement, and if said violation continues for sixty (60) days after CONSULTANT has delivered to TAMPA BAY WATER written notice of such violation, then CONSULTANT may, without prejudice to any other right or remedy, terminate or cancel this Agreement by giving TAMPA BAY WATER fourteen (14) days written notice of such termination or cancellation. In the event of any such termination by CONSULTANT, CONSULTANT's sole and exclusive rights and remedies against TAMPA BAY WATER shall be the same as and limited to those which are set forth in paragraph 9.1 above.

- 9.4 Notwithstanding the provisions of paragraphs 9.2 and 9.3, this Agreement will not terminate for cause if the party receiving the notice begins, within seven (7) days of receipt, to correct its failure and proceeds diligently to cure such failure within no more than thirty (30) days of receipt thereof; provided, however, that if and to the extent such cause for termination cannot reasonably be cured within such thirty (30) day period, and if such party has diligently attempted to cure the same and thereafter continues to diligently cure the same, then the cure period may be further extended by the party that provided said notice.
- 9.5 If, after termination of this Agreement as provided for in paragraph 9.2 above, it is determined for any reason that CONSULTANT was not in default, or that its default was excusable or that TAMPA BAY WATER otherwise was not entitled to the remedy against CONSULTANT provided for in paragraph 9.2, then such termination for cause shall be deemed to be a termination without cause and CONSULTANT's sole and exclusive rights and remedies against TAMPA BAY WATER shall be the same as and limited to those afforded CONSULTANT under paragraph 9.1 above.
- 9.6 Upon any termination of this Agreement pursuant to paragraphs 9.1 or 9.3 above and payment by TAMPA BAY WATER as required under those paragraphs, CONSULTANT shall deliver to TAMPA BAY WATER, within ten (10) days of such payment, all papers, drawings, models and other material prepared by and for CONSULTANT with respect to the Project. Upon any termination of this Agreement pursuant to paragraph 9.2 above, CONSULTANT shall deliver to TAMPA BAY WATER, within ten (10) days of CONSULTANT's receipt of the termination notice, all papers, drawings, models and other materials prepared by or for CONSULTANT for the Project.

10.0 WAIVER.

- 10.1 CONSULTANT's acceptance of final payment shall constitute a full waiver of any and all claims by CONSULTANT against TAMPA BAY WATER arising out of and relating to this Agreement or otherwise related to the Project, except those previously made in writing and identified by CONSULTANT as unsettled at the time it submits its invoice for final payment. Neither the acceptance of the Services nor any payment by TAMPA BAY WATER shall be deemed to be an acceptance of defective or incomplete Services or waiver of any of TAMPA BAY WATER's rights against CONSULTANT.
- 10.2 Non-enforcement of any provision of this Agreement by either party shall not constitute a waiver of that provision nor shall it affect the enforceability of that provision or the remainder of this Agreement.

11.0 ADDITIONAL SERVICES.

- 11.1 If CONSULTANT is of the opinion that any services TAMPA BAY WATER directs it to perform are beyond the scope of the Services under this Agreement,

CONSULTANT shall, within seven (7) days of such direction, notify TAMPA BAY WATER in writing of this opinion. TAMPA BAY WATER shall, within ten (10) working days after receipt of such notification, determine whether or not such service is in fact beyond the scope of this Agreement and constitutes Additional Services. If TAMPA BAY WATER determines that such service does constitute Additional Services, it shall provide extra compensation to CONSULTANT based upon the provisions of Article 4.0 above.

- 11.2 If, in the opinion of TAMPA BAY WATER, the progress of the Services during any period is substantially less than the amount which is necessary to meet the Project Schedule or CONSULTANT's obligations under Article 5.0 above, TAMPA BAY WATER may require CONSULTANT to take whatever action is necessary, in the opinion of TAMPA BAY WATER, to put the Services back on schedule. Such action shall not constitute Additional Services unless the delays were caused by circumstances beyond the control and fault of CONSULTANT or its agents, employees and Subconsultants.
- 11.3 In the event of claims by others against TAMPA BAY WATER in connection with the Project or the Services, CONSULTANT shall provide to TAMPA BAY WATER such technical assistance that TAMPA BAY WATER may request. Such assistance shall constitute Additional Services, unless such claims are caused by the failure of CONSULTANT, its agents, employees or Subconsultants to comply with the terms and conditions of this Agreement or otherwise perform their duties under this Agreement.
- 11.4 Subject to the provision of paragraph 8.2 above, CONSULTANT shall not make any charges or claims for damages for any delays or hindrances of less than thirty (30) days from any cause whatsoever during the progress of any portion of the Services. Such delays or hindrances of less than thirty (30) days may be compensated for by an extension of time as TAMPA BAY WATER may decide. However, any such extension shall not operate as a waiver of any other rights of TAMPA BAY WATER. If the total of such delays or hindrances exceeds thirty (30) days, any additional services required to be performed by CONSULTANT as a result of such delays or hindrances will be considered Additional Services unless such delays or hindrances were caused in whole or in part by CONSULTANT, its employees, agents, or Subconsultants or as a result of a suspension of the Project or Services entirely or partly by TAMPA BAY WATER. This paragraph 11.4 shall not apply to suspensions of the Project or Services by TAMPA BAY WATER, which suspensions shall be governed by Article 8.0.
- 11.5 If TAMPA BAY WATER requires CONSULTANT to provide it with an audit of its Project costs, such audit shall not be considered Additional Services.
- 12.0 STATUS REPORTS AND INSPECTIONS. TAMPA BAY WATER shall be entitled at all times to be advised of the status of the Project, including, but not limited to, the Services of CONSULTANT. CONSULTANT shall cooperate with TAMPA BAY WATER and its agents to keep TAMPA BAY WATER advised as to the status of the Project and Services. TAMPA BAY WATER and/or its authorized representative shall have the right to visit the

site and/or the office of CONSULTANT in order to inspect the Services or any of the drawings or documents of CONSULTANT at any reasonable time. The documents obtained or generated under this Agreement shall be maintained by CONSULTANT and made available to TAMPA BAY WATER upon request by TAMPA BAY WATER at all times during the term of this Agreement and for three (3) years thereafter. In addition to the documents and reports set forth in Schedule "A," CONSULTANT shall, at no cost to TAMPA BAY WATER, deliver to TAMPA BAY WATER copies of all other Project documents or reports under CONSULTANT's possession or control that TAMPA BAY WATER may request from time to time.

- 13.0 COORDINATION WITH OTHERS. CONSULTANT shall cooperate with other engineers, consultants, construction contractors and suppliers retained by TAMPA BAY WATER and assist TAMPA BAY WATER with the coordination of those various projects, work, and engineering and consulting services. CONSULTANT shall review all information and attend all meetings as shall be reasonably necessary to accomplish the coordination of those various projects, work, and engineering and consulting services, and eliminate any problems where the projects, work or services interface with the Project or Services.
- 14.0 SUBCONSULTANTS. CONSULTANT shall not sublet, assign, or transfer this Agreement or any Services without the prior written consent of TAMPA BAY WATER, which consent may be withheld in TAMPA BAY WATER's sole discretion. CONSULTANT shall be solely responsible for the employment, direction, supervision, compensation and control of any and all Subconsultants. CONSULTANT shall cause all Subconsultants to abide by the terms and conditions of this Agreement and all Laws. All agreements between CONSULTANT and Subconsultants shall be in writing, with a copy of such agreements to be provided to TAMPA BAY WATER upon its request for same.
- 15.0 INDEMNIFICATION. In consideration of One Hundred Dollars (\$100.00) separately allocated from the consideration paid hereunder, to the fullest extent permitted by law, the receipt and sufficiency of which is acknowledged by CONSULTANT's execution of this Agreement, the CONSULTANT shall indemnify and hold harmless TAMPA BAY WATER, its officers and employees, from and against any and all liabilities, damages, losses and costs (including but not limited to reasonable attorneys fees) arising out of or to the extent caused by the negligence, recklessness or intentionally wrongful conduct of CONSULTANT or any of the Subconsultants or any other person or organization employed by or utilized by CONSULTANT in the performance of Services under this Agreement. This indemnification shall also include all liability, damages, losses and costs (including but not limited to reasonable attorneys fees) arising out of or to the extent caused by any infringement of patents or copyrights incident to providing the Services required hereunder.
- 16.0 CONSULTANT'S INSURANCE REQUIREMENTS AND MINIMUM LIMITS.
- 16.1 The types of insurance CONSULTANT shall purchase and maintain shall include the specific coverages and minimum limits set forth as follows. All said limits shall be per occurrence and in the aggregate combined single limit for all liability, except professional liability coverage which shall be on a claims made basis, with following

forms excess or umbrella insurance making up the difference between the policy limits of underlying policies and the total amount of coverage required.

16.2 LIABILITY INSURANCE INSERT APPROPRIATE INSURANCE TIER REQUIREMENTS HERE

16.2.1 General Liability

- 16.5 CONSULTANT shall not commence or continue to perform any Services unless CONSULTANT has in full force and effect all required insurance, and until CONSULTANT has delivered to TAMPA BAY WATER all insurance certificates required hereunder evidencing the specific insurance coverage required, nor shall any payment for Services performed become due and payable until CONSULTANT has delivered all such certificates to TAMPA BAY WATER. CONSULTANT shall not permit any Subconsultant to perform any portion of the Services unless such Subconsultant has complied with the insurance requirements, including the workers' compensation and general liability insurance requirements, contained herein.
- 16.6 Insurance coverage shall be placed with insurers or self-insurance funds, satisfactory to TAMPA BAY WATER, licensed to do business in the State of Florida and with a resident agent designated for the service of process. All insurers shall have an "A" policyholder's rating and a financial rating of at least Class IX in accordance with the most current Best's rating. CONSULTANT shall provide TAMPA BAY WATER with financial information concerning any self insurance fund insuring CONSULTANT. At TAMPA BAY WATER's option, a Best's rating or Self-Insurance Fund financial information may be waived.
- 16.7 As evidence of the insurance coverages required by this Agreement, CONSULTANT shall provide TAMPA BAY WATER certificates of insurance evidencing the specific policies issued, the limits of coverage afforded, and the specific endorsement provided, all in accordance with the form attached hereto as Schedule "E" and made a part hereof. An ACORD form meeting these requirements and as shown in Schedule "E" may be substituted with the consent of TAMPA BAY WATER.
- 16.8 All the policies of insurance so required of CONSULTANT, except professional liability and workers' compensation insurance, shall be endorsed to include as additional insureds: TAMPA BAY WATER, its directors, officers, employees, representatives, agents, and volunteers. If the additional insureds have other insurance which might be applicable to any loss, the insurance required of CONSULTANT shall be considered primary, and all other insurance shall be considered excess. Such insurance policies shall include or be endorsed to include a cross liability clause so the additional insureds will be treated as if a separate policy were in existence and issued to them. The cross liability clause does not increase the limits of liability or aggregate limits of the policy.

- 16.9 Deductible and self-insured retention amounts shall be subject to approval by TAMPA BAY WATER, which approval shall not be unreasonably withheld. CONSULTANT is responsible for the amount of any deductibles or self-insured retentions.
- 16.10 Approval of the insurance by TAMPA BAY WATER shall not relieve or decrease the liability of CONSULTANT hereunder. Further, CONSULTANT acknowledges that any such acceptance by TAMPA BAY WATER shall not be deemed to be an acknowledgement that CONSULTANT has satisfied its insurance obligations hereunder. CONSULTANT acknowledges and agrees that TAMPA BAY WATER does not in any way represent that the insurance (or the limits of insurance) specified in this Article is sufficient or adequate to protect CONSULTANT's interests or liabilities, but are merely minimums.
- 16.11 All insurance shall be maintained in full force and effect for the period provided in paragraph 16.13 hereof. Should any coverage approach expiration during the period in which it is to remain in full force and effect, it shall be renewed by CONSULTANT prior to its expiration, and a certificate of insurance again filed with TAMPA BAY WATER at least fourteen (14) days prior to coverage renewal.
- 16.12 All of the policies of insurance required to be purchased and maintained (or the certificates or other evidence thereof) shall contain a provision or endorsement that the coverage afforded will not be canceled, materially changed, or renewal refused, until at least thirty (30) days prior written notice has been given to TAMPA BAY WATER and CONSULTANT by certified mail. CONSULTANT shall give notice to TAMPA BAY WATER within (24) hours of any oral or written notice of adverse change, non-renewal, or cancellation.
- 16.13 Except as provided below in paragraph 16.14 for professional liability insurance, all insurance required hereunder shall remain in full force and effect throughout the entire term of this Agreement.
- 16.14 Professional liability insurance shall continue in force until the end of one (1) calendar year following the calendar year in which the completion of the Project is estimated to occur pursuant to the Project Schedule. The professional liability insurance policy shall be endorsed to provide for renewals through said one (1) calendar year, or if the current policy is not renewed, to provide for an extended reporting period on the existing policy through said one (1) calendar year.
- 16.15 CONSULTANT shall, upon request by TAMPA BAY WATER, deliver to TAMPA BAY WATER a copy of each insurance policy purchased by CONSULTANT pursuant to this Article 16.0 and Article 17.0.
- 16.16 All policies, except for workers' compensation and professional liability, shall contain provisions to the effect that in the event of payment of any loss or damage the insurer will have no rights of subrogation against TAMPA BAY WATER, its consultants, directors, officers, employees, representative or agents. Nothing contained in these

insurance requirements is to be construed as limiting the liability of CONSULTANT or CONSULTANT's insurance carriers. Further, CONSULTANT hereby waives its right of recovery against TAMPA BAY WATER with respect to any matter covered by any insurance maintained by CONSULTANT.

17.0 INSURANCE – GENERAL REQUIREMENTS.

- 17.1 CONSULTANT shall purchase and maintain such commercial (occurrence form) or comprehensive general liability (occurrence form), professional liability, and other appropriate insurance, with respect to the Services required hereunder, that will provide protection from the types of claims set forth below which may arise out of or result from CONSULTANT's performance and furnishing of the Services, whether it is to be performed by CONSULTANT or the Subconsultants:
- 17.1.1 Claims under workers' compensation, disability benefits and other similar employee benefit acts;
 - 17.1.2 Claims for employer's liability, including those arising under Title VII of the Civil Rights Act of 1964 and the Florida Civil Rights Act;
 - 17.1.3 Claims for damages because of bodily injury, sickness or disease, or death to any person other than CONSULTANT's employee;
 - 17.1.4 Claims for damages insured by personal injury liability coverage which are sustained by any person as a result of a negligent or wrongful act or omission of CONSULTANT or any person employed by or subcontracted to CONSULTANT;
 - 17.1.5 Claims for damages because of injury to or destruction of tangible property wherever located, including loss of use resulting therefrom;
 - 17.1.6 Claims for damages because of bodily injury or death of any person, or property damage arising out of the CONSULTANT ownership, maintenance, operation, use or loading and unloading of any owned, hired or non-owned motor vehicle used in connection with the Services, including employee non-CONSULTANT ownership use; and
 - 17.1.7 Claims for damages because of bodily injury or death of any person or property damage arising out of the CONSULTANT ownership, maintenance, operation, use or loading and unloading of any owned, hired or non-owned aircraft and watercraft used in connection with the Services, including employee non-CONSULTANT ownership use.
- 17.2 The insurance required by this Article shall include the specific coverage and be written for the limits of liability and coverage provided in Article 16.0 or required by Law, whichever is greater. Where appropriate for the Services being performed, the commercial (occurrence form) or comprehensive general liability (occurrence form)

insurance shall also include: broad form property damage, explosion, collapse, and underground hazard coverage and independent contractor's coverage.

- 17.3 The commercial (occurrence form) or comprehensive general liability (occurrence form) insurance shall include contractual liability insurance applicable to all of CONSULTANT's obligations under this Agreement that are covered by such insurance.
- 17.4 CONSULTANT shall require all Subconsultants to procure and maintain, until the completion of that party's Services, insurance of the types and in the coverage amounts required to be carried by CONSULTANT in this Agreement unless TAMPA BAY WATER agrees in writing, in advance of CONSULTANT's employment of any such Subconsultant, to other types of coverage and/or lower coverage amounts. Provided however, that professional liability insurance shall not be required under this Agreement for Subconsultants, unless such party is a licensed professional. The preceding sentence does not preclude CONSULTANT from requiring such insurance. CONSULTANT shall be responsible for ensuring that all Subconsultants comply with all of the insurance requirements contained herein relative to each such party.
- 17.5 TAMPA BAY WATER requires CONSULTANT and all Subconsultants to purchase workers' compensation insurance for all their employees regardless of the number of employees they have and regardless of any other exemptions. Florida law permits employers who may be exempt from purchase of coverage to waive their exemptions and purchase the coverage voluntarily. TAMPA BAY WATER requires CONSULTANT and all Subconsultants to voluntarily purchase said coverage.
- 18.0 STANDARD OF PERFORMANCE. CONSULTANT shall perform and complete the Services in a timely manner and in accordance with the standard of care, skill, and diligence customarily provided by professionals with expertise and experience in the type of Services to be provided hereunder, and in accordance with sound professional principles and practices. CONSULTANT acknowledges that it has represented to TAMPA BAY WATER that CONSULTANT has expertise and experience in the type of services to be rendered hereunder and that such representation was a material inducement to TAMPA BAY WATER to enter into this Agreement with CONSULTANT.
- 19.0 PROJECT DOCUMENTS AND DATA.
- 19.1 One (1) copy of all technical data and working papers regarding the Services, whether existing in the office of TAMPA BAY WATER or in the office of CONSULTANT, shall be made available to the other party to this Agreement without expense to such other party. Additional copies shall be made available at the expense of the requesting party.
- 19.2 All Project documents, tracings, plans, specifications, maps, evaluations, reports, technical data, and computer application code, other than working papers prepared or obtained under this Agreement, are the property of TAMPA BAY WATER without restriction or limitation of use, and shall be made available, upon request, to TAMPA

BAY WATER at any reasonable time. CONSULTANT, at its own expense, may retain copies thereof for its files and internal use. Any use by TAMPA BAY WATER of such materials obtained under this Agreement for any other Project or use of incomplete materials obtained from CONSULTANT by TAMPA BAY WATER shall be made at the risk of TAMPA BAY WATER. However, this does not constitute a disclaimer of the professional liability of CONSULTANT with respect to the original Services as used for the Project.

- 19.3 All final plans and documents that are required by Florida Law to be endorsed and are prepared by CONSULTANT in connection with the Services shall bear the endorsement of a person in the full employment of CONSULTANT or duly retained by CONSULTANT and duly licensed in the appropriate professional category.
- 19.4 CONSULTANT shall make any patentable product or result of the Services and all information, design, specifications, know-how, data and findings available to TAMPA BAY WATER without cost to TAMPA BAY WATER. No material prepared in connection with this Project will be subject to copyright by CONSULTANT, all such copyrights being the property of TAMPA BAY WATER. TAMPA BAY WATER shall have the right to publish, distribute, disclose and otherwise use any material prepared by or for CONSULTANT with respect to the Project. Any use of material or patents obtained by TAMPA BAY WATER under this Agreement for any purpose not associated with this Project shall be at the risk of TAMPA BAY WATER.
